REGISTERED	12
<b>TOTAL</b>	<b>170</b>

Notes:

Class A schemes are those which meet the Commission's Collective Investment Schemes (Class A) Rules 2002, and were thereby eligible for recognition by the UK Financial Services Authority for sale to the public in the United Kingdom by virtue of Guernsey's designation under Section 270 of the Financial Services and Markets Act 2000.

In addition to the United Kingdom there are nine other countries in which the Class A funds may be marketed to the public (upon application to the relevant authority) and these are: Australia, Belgium, Hong Kong, Japan, The Netherlands, The Republic of Ireland, South Africa, Sweden and Switzerland.

Class B schemes are authorised under the Protection of Investors Law 1987 and are subject to the Authorised Collective Investment Schemes (Class B) Rules 2013. They will also be considered for public marketing by the relevant authorities in the countries referred to above.

Class Q schemes, designed for qualifying professional investors, are also authorised under the Protection of Investors Law 1987 and are subject to the Collective Investment Schemes (Qualifying Professional Investor Funds) (Class Q) Rules 1998.

Registered schemes are registered under the Protection of Investors (Balliwick of Guernsey) Law 1987 and are subject to the Registered Collective Investment Scheme Rules 2015.

\*The geographic breakdown is based on investments actually acquired by the scheme and does not take account of commitments or off-balance sheet positions.

Where investments are feeder funds or fund of funds structures, or assets held by holding vehicles, the breakdown is based on the country of incorporation/establishment of the fund(s) or holding vehicles into which the fund for which the Form NST has been submitted invests.
