INVESTMENT SCHEMES RULES 2015**

THE GUERNSEY FINANCIAL SERVICES COMMISSION

THE REGISTERED COLLECTIVE INVESTMENT SCHEMES RULES 2015

GUIDANCE NOTES

These Guidance Notes are intended to aid the understanding of the Commission's policy and practice and should be read in conjunction with the Registered Collective Investment Schemes Rules 2015 ("the Registered CIS Rules").

1. The Registered CIS Rules seek to provide a clear and concise set of requirements for registered open-ended and registered closed-ended collective investment schemes. Registered investment schemes are not authorised under the Protection of Investors (Bailiwick of Guernsey) Law, 1987, as amended. The Commission will conduct limited enquiries into the parties to be associated with the registered investment schemes and will consider the scheme's investment objectives at the time of the initial application. The Commission will assess the designated administrator's due diligence on the parties associated with the scheme as part of its post-facto monitoring of the designated administrators.
2. The following summarises the key features of the Registered CIS Rules -
 - (a) Each scheme must be registered under the Law with the Commission.
 - (b) Registered investment schemes may be established as companies (including protected cell and incorporated cell companies), unit trusts or limited partnerships or such other vehicle or entity as may be approved by the Commission.
 - (c) The scheme must be established with the objective of spreading risk. The criteria for the spread of risk must be specified in the scheme's information particulars.
 - (d) The Prospectus Rules 2008 make provision for disclosures which must be

made to investors in the registered investment scheme's information particulars.

- (e) Provisions regarding both immediate and periodic notifications that are to be made to the Commission regarding changes to the registered investment scheme, financial statements and statistical information are also included within the Registered CIS Rules.
3. In the case of a registered open-ended investment scheme, a designated administrator and a designated trustee or designated custodian licensed under the Protection of Investors (Bailiwick of Guernsey) Law, 1987, as amended and domiciled in Guernsey must be appointed.

In the case of a registered closed-ended investment scheme, a designated administrator licensed under the Protection of Investors (Bailiwick of Guernsey) Law, 1987, as amended and domiciled in Guernsey must be appointed. The Commission is willing to consider the appointment of a custodian/trustee that is domiciled outside Guernsey for a registered closed-ended investment scheme. For the avoidance of doubt a registered closed-ended investment scheme is not required to appoint a custodian.

4. The Commission's existing policy of selectivity will continue in respect of all registered investment schemes.
5. As with all other types of investment business, the Commission is always prepared to meet managers, potential promoters or their professional advisers in order to discuss matters of policy and practice regarding the disclosure requirements as set out in these rules.

Enquiries should be directed to the Investment Supervision and Policy Division of the Commission.

- (2) A declaration granted in the circumstances set out in sub-paragraph (1)(b) shall specify the rules with which the registered investment scheme's principal documents and/or information particulars do not comply.

- (2) An exclusion or modification under paragraph (1) may be in such terms (as to notification of investors, revision of information particulars or otherwise) as the Commission may specify.

7.05 **Undertakings**

As a condition of the registration of a scheme as a registered investment scheme, the Commission shall be entitled to require such undertakings, indemnities, bonds, guarantees and assurances as the Commission may determine to secure compliance with these rules.
