PART 1 INTRODUCTION

1.1 Application

- (1) The Private Investment Fund Rules (2), 2021 replace The Private Investment Rules (1), 2021.
- (2) The Commission may in its absolute discretion, by written notice, exclude or modify the application of any provision of these Rules.
- (3) The Commission may issue supplementary guidance regarding the standards of conduct and practice expected in relation to any aspect of the regulatory framework. Such guidance will not constitute rules of the Commission.
- (4) Unless specifically agreed otherwise by the Commission, these Rules apply to registered collective investment schemes that have elected to be within the private investment fund regime.

Guidance Note: This document take a two-level approach –

- the Rules set out the standards to be met; and
- guidance notes present suggested ways of showing compliance with the Rules.

Licensees may adopt alternative measures to those set out in the guidance so long as it is possible to demonstrate that such measures achieve compliance.

The text contained in shaded boxes contains guidance from the Commission and does not form part of the Rules.

PART 2 REQUIREMENTS FOR REGISTRATION

2.1 Registration of Private Investment Funds

- (1) All funds applying for registration as Private Investment Funds ("PIFs"), must fulfil all of the criteria set out at Schedule 1 for either a -

- (3) Applications must be accompanied by any fee set out in the relevant Fees Regulations.

2.3 Registration declaration

- (1) The Commission may grant registration, under section 8 of the Law, by declaration if it is satisfied with the undertakings required, and the application made, in accordance with these Rules.

Guidance Note:

Where a PIF declaration of registration is issued, the Commission will, at the same time, confirm the designation of the administrator.

2.4 Undertakings

- (1) As a condition of the registration of a scheme as a private investment fund, the Commission is entitled to require any undertakings, indemnities, bonds, guarantees, and assurances as it may determine in order to secure compliance with these Rules.

PART 3 MANAGEMENT, ADMINISTRATION AND AUDIT

3.1 Management

- (1) A PIF registered under Route 1 of Schedule 1 must appoint a licensee as manager and it is the duty of the manager to manage the scheme in accordance with –
 - (a) the principal documents;

 - (c) where applicable, the most recent information particulars.

3.2 Administration

- (2) It is the duty of the designated administrator, of a private investment fund, to administer the scheme in accordance with –
 - (a) the principal documents;
 - (b) these Rules;
 - (c) the most recent information particulars, where applicable; and
 - (d) in the case of a company scheme, subject to any proper directions given by the manager and directors; and in the case of a limited partnership scheme, subject to any direction given by the general partner, or corporate trustee of a unit trust scheme as applicable.

Guidance Note:

3.3 General provisions applicable to the designated administrator of a PIF

PART 4 CONFLICTS OF INTEREST

4.1 Conflicts of interest

- (1) The directors, the general partner, and the corporate trustee, where applicable, must each take all reasonable steps to ensure that there is no breach of any of the following requirements of this rule by any “relevant person”, meaning –
 - (a) the designated administrator;
 - (b) in the case of a unit trust, the corporate trustee;
 - (c) any investment adviser;
 - (d) any manager;
 - (e) the fund itself (if a legal person);
 - (f) in the case of a company, the directors of the company;
 - (g) in the case of a limited partnership, the directors or general partner of the general partner, and the general partner itself;
 - (h) the custodian; and
 - (i) any associate of any person described above.
- (2) Cash forming part of the scheme property may be placed in any current, deposit, or loan account with a relevant person if the arm’s length requirement is satisfied.
- (3) A relevant person may lend money to the PIF if the arm’s length requirement is satisfied. Loans that form part of an investor’s commitments do not fall into this category.

- (4) A relevant person may not sell or deal in the sale of property to the PIF unless the arm's length requirement is satisfied. For the purpose of this section a sale includes any lease or other transaction under which scheme property is made available by the PIF.
- (5) A relevant person must not purchase scheme property from a PIF unless the arm's length requirement is satisfied. For the purpose of this section, a purchase includes any lease or other transaction under which the scheme property of the PIF is made available to the relevant person.
- (6) A relevant person must not vest property in a PIF against the issue of shares, unless –
- (a) the arm's length requirement is satisfied; or
 - (b) it is vested for the purpose of arrangements under which the whole or part of the property becomes the initial scheme property of the PIF.
- (7) A relevant person must not enter into a stock lending transaction, in relation to the PIF, unless the arm's length requirement is satisfied.
- (8) A relevant person must not provide services, for the PIF, unless the services are provided on terms which satisfy the arm's length requirement.
- (9) The arm's length requirement is that the arrangements between the relevant person and the PIF are at least as favourable to the PIF as would be any comparable arrangement, effected on normal commercial terms, negotiated at arm's length between the relevant person and an independent party. The arm's length requirement is deemed to be satisfied when –
- (a) the transaction satisfies the criteria for best execution on-exchange –
 - (i) if the property is an approved security or an approved derivative; and
 - (ii) the transaction is effected with, or through, a member of the relevant exchange under the rules of that exchange;

OR

- (iii) there is evidence, in writing, of the effecting of the transaction and of its terms; and
- (iv) the manager has taken all reasonable steps to effect the transaction or to ensure that it is effected on the terms which are best available for the PIF in the circumstances;

OR

- (b) the transaction satisfies the criteria for independent valuation if –
 - (i) the value of the property is certified, in writing, for the purpose of the transaction by a person selected or approved by the directors, in the case of a company, or the general partner in the case of a limited partnership, or the manager or corporate trustee in the case of a unit trust, as –
 - (A) independent of any relevant person; and
 - (B) qualified to value property of the relevant kind; and
 - (ii) the directors in the case of a company, the general partner in the case of a limited partnership, or the manager or corporate trustee in the case of a unit trust, are of the opinion that the terms of the transaction are not likely to result in any material prejudice to holders.
- (10) Sections (2) to (7) are subject to any provision in the principal documents or the information particulars forbidding the utilisation of any or all of them.

Guidance Note:

Where the principal documents, or information particulars, of the scheme prohibit any of the actions set out at (2) to (7) this Rule does not override that prohibition and, even if the arm's length requirement is satisfied, they must not be undertaken.
