The AIFMD (Marketing) Rules, 2013

The Guernsey Financial Services Commission (the “**Commission**”) in exercise of the powers conferred on it by sections 12, 14, 15, 16, 18 and 20 of the Protection of Investors (Bailiwick of Guernsey) Law, 1987, as amended (the “**Law**”) hereby makes the following rules:-

1. INTRODUCTION

1.1 Citation, commencement and application

These Rules, which may be cited as The AIFMD (Marketing) Rules, 2013, are made on XX 2013 and, with the exception of Rule 7 (“Transitional provisions”) shall come into operation on [22 July 2013].

The Directive 2011/61/EU of the European Parliament and of the Council of 8 June 2011 on Alternative Investment Fund Managers (the "AIFMD") allows non-EU Alternative Investment Fund Managers (“AIFMs”) to manage and market AIFs in the EU insofar as they comply with the specific rules in chapter VII of AIFMD. Among other conditions, and as a consequence of the cross-border dimension of the activity of the AIFMs, European competent authorities are required to have in place co-operation arrangements with the authorities of the non-EU country where: a) an AIFM is established and/or the AIF is located, b) a delegate is established, when the delegation concerns portfolio or risk management, and c) where the depositary is established. The aim of these co-operation arrangements is to ensure that European authorities can carry out their supervisory duties properly in accordance with AIFMD. These Rules, in part, assist the Commission in co-operating with Member States regarding Guernsey AIFMs and Guernsey AIFs.

Whilst AIFMD is a maximum harmonisation directive, EEA competent authorities may impose stricter requirements; therefore Guernsey AIFMs and Guernsey AIFs must ensure that they comply with the laws and regulations in force in the country or territory into which they are marketing. Furthermore, Guernsey AIFMs and Guernsey AIFs must ensure that there are co-operation agreements in place between the Commission and the relevant Member State prior to marketing into that state.
