THE MONEYVAL PUBLIC STATEMENT

The Council of Europe Committee of Experts on the Evaluation of Anti-Money Laundering Measures and the Financing of Terrorism (MONEYVAL) has been concerned since December 2010 with deficiencies in the anti-money laundering/combating the financing of terrorism (AML/CFT) regime in Bosnia and Herzegovina.

At its 35th plenary meeting (between 11-14 April 2011) in Strasbourg, MONEYVAL invited Bosnia and Herzegovina to develop a clear action plan in response to MONEYVAL's third round mutual evaluation report with realistic timescales for remedying the major deficiencies identified. Additionally, MONEYVAL emphasised that, in order to show a firm political commitment, the agreed action plan should be approved at the Government level. At the 37th plenary meeting (13-16 December 2011) MONEYVAL noted that the Council of Ministers of Bosnia and Herzegovina had considered and adopted the action plan on 10 October 2011. MONEYVAL, at its 43rd plenary meeting (9-13 December 2013), noted that the majority of the objectives of the action plan had still not been fully addressed, since necessary amendments to remedy important deficiencies in the Anti-Money Laundering and Counter Financing of Terrorism Law had not been adopted and important amendments to the Criminal Code had been rejected. MONEYVAL urges Bosnia and Herzegovina to immediately and meaningfully address its AML/CFT deficiencies, in particular by adopting necessary amendments to AML/CFT legislation.

MONEYVAL calls on States and territories evaluated by MONEYVAL and other countries to advise their financial institutions to pay special attention by applying enhanced due diligence measures to transactions with persons and financial institutions from or in Bosnia and Herzegovina in order to address the money laundering and financing of terrorism risks.
