

THE AUTHORISED CLOSED-ENDED INVESTMENT SCHEMES RULES 2008

THE GUERNSEY FINANCIAL SERVICES COMMISSION

**THE AUTHORISED CLOSED-ENDED INVESTMENT
SCHEMES RULES 2008 (“Authorised Closed-ended Rules”)**

GUIDANCE NOTES

These Guidance Notes, which are intended to assist existing and potential promoters and managers of Authorised Closed-ended investment schemes with an understanding of the Commission’s policy and practice and should be read in conjunction with the Authorised Closed-ended Rules.

1. The Law has been amended to include closed-ended investment schemes and as such closed – ended investment schemes will be declared as authorised or registered by the Commission under Section 8 of the Law. For the avoidance of doubt these rules will only cover those collective investment schemes authorised under the Law and does not extend to those registered under the Law.
2. Authorised Closed-ended investment schemes will be subject to continuing supervision by the Commission and this should enhance the ability of promoters to market Authorised Closed-ended investment schemes in other jurisdictions. The Authorised Closed-ended Rules seek to provide a clear and concise set of requirements for the disclosure of information to investors and matters requiring notification to the Commission regarding Authorised Closed-ended investment schemes.
3. The following summarises the key features of the Authorised Closed-ended Rules -
 - (a) Each scheme must be authorised under the Law and is subject to continuing supervision by the Commission.
 - (b) Authorised Closed-ended investment schemes may be established as companies (including protected cell and incorporated cell companies), unit trusts or limited partnerships or such vehicle or entity as may be approved by the Commission.
 - (c) The Authorised Closed-ended investment scheme must be established with the objective of spreading risk. The criteria for the spread of risk must be specified in the Authorised Closed-ended investment scheme’s information particulars.
 - (d) The Authorised Closed-ended Rules make provision for disclosures which must be made to investors in the Authorised Closed-ended investment scheme’s information particulars.
 - (e) Provisions regarding both immediate and periodic notifications that are to be made to the Commission regarding changes to the Authorised Closed-ended investment scheme, financial statements and statistical information are also included within the Authorised Closed-ended Rules.

4. In the case of Authorised Closed-ended investment schemes, the Commission is willing to consider the appointment of a Custodian/Trustee domiciled outside Guernsey. For the avoidance of doubt an Authorised Closed-ended investment scheme is not required to appoint a custodian.
5. The Commission's existing policy of selectivity will continue in respect of all Guernsey authorised collective investment schemes.
6. As with all other types of investment business, the Commission is always prepared to meet managers, potential promoters or their professional advisers in order to discuss matters of policy and practice regarding Authorised Closed-ended investment schemes, whether authorised or proposed.

Enquiries should be directed to the Investment Business Division of the Commission.
